For a limited time only, you can hire a forklift for three days & get 4 more consecutive days FREE! That's Less than Half Price!

**NEW CLIENTS** can start on the Daily rate for first 3 days of the week then switch to the Weekly rate if keeping for the rest of the week - that's 4 more days at no extra cost!

If a new client asks for the Weekly rate first, let them know we have a great price of \$180/wk available, if they then ask about the Hire for 3 days get 4 days free offer, let them know that the Daily rate is \$85 per day for 3 days, then the next consecutive 4 days are at no extra cost! If they suggest that that works out to be the same as the weekly price, let them know that the offer is to help people save money by hiring at the special weekly price instead of the daily rate x 7days for \$595.

If **EXISTING CLIENTS** inquire, they can be advised that they are already on a special discounted weekly rate. The new clients are being offered a similar special flat rate so that they don't have to pay any more than 3 days at the daily price rate.
